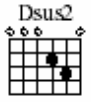
```
                                E  Esus E
I feel better when I'm singing
                                A
I feel better when I'm praisin' my Lord
                                E  Esus E
I feel better when I'm worshiping
              Dsus2        D
That's what I was made for
                        E       Esus E
I feel better in His presence
               A    A2      A
That's where I'm supposed be
                             E
I feel better when I'm singin'
                         Dsus2 D         E
Now feel better and sing along with me
```

Verse

```
E                     A
Sickness can be overcome
E          Dsus2      D
Sin can be washed away
E                A
Sadness can be turned to joy
E                                Dsus2 D          E   Dsus D
Come now, feel better  and sing along with me
```

Verse

Fear can be cast out
Pain can be taken away
Death has been defeated
Come now, and sing along with me

Bridge


```
Dsus2      D                    E
You don't need to worry anymore
 Dsus2      D       E
You don't need to take on these cares
Dsus2    D         E
Lift them up to your Yeshua
A     E                        Dsus2 D        E
Trust Him, feel better and sing along with me
```
