*(Chorus)*

Thank you Jesus for loving me  
Thank you Jesus for dying on the tree  
Thank you Jesus for all you've done for me  
Thank you Jesus for giving life to me

*(Verse)*

We have so much to thank You for  
We have so much to sing  
We're so glad we can worship You  
Our praises now we bring

*(Verse)*

You are our song, You are our praise  
You're everything we need  
Our hearts are filled with thankfulness  
Hear us on our knees
