Yahweh (Repeat 3 times)

Holy is Your name
On high, Lord you reign
Righteous and True

Master, Savior
King of Kings, Lord of Lords
We Praise You

Yeshua (Repeat 3 x's)

Aleph and Tav
Praise you Lord on high
Oh Lord You reign

Took on all my sin
I can now be free again
Let me praise your name

Rauach HaKodesh (Repeat 3x's)

Come down, Holy Fire
Reign in us, be our desire
Oh Lord right now

You are everything
We praise you're name all our days
We lift you on high

Be in our Presence Now
Oh Lord as we bow
And we worship you

Let Your glory come
On us Lord in your name
Oh we love you
